Energy Star Certified

Will is out on the jobsite everyday ensuring that your home is built as if it was his own

Our company offers in house design services. We can design from scratch, or, bring us your own plans to work with.

## Learn More About The Builder

**"If you are looking for an honest, conscientious, quality builder in the Chapel Hill area, we recommend Will Johnson." - Steve and Lori Phillips**

The homes and renovations of the Will Johnson Building Company are truly custom creations. Our mission is to help you design and build your dream home or renovation with the highest quality materials at an affordable price.

**Will Johnson, President**, has been building homes in the Chapel Hill area for 29 years.

Only the most experienced subcontractors and craftsmen are employed in the creation of your home. Our subcontractors are long term, established firms that stand behind their work.

**"Two things about Will warrant special attention. First, Will is scrupulously honest and ethical... The second thing of note is the quality of workmanship you get when Will builds your house..." - Jessica and Chris Smith**
